” The Accure Acne Treatment saved my social life!

— ANDREA, ACCURE PATIENT

” We finally have a foundational solution for our practice that will substantially improve our patients’ quality of life.

— ROY G. GERONEMUS, MD, DIRECTOR OF THE LASER & SKIN SURGERY CENTER OF NEW YORK®

” The most exciting aspect of Accure is going after one of the main causes of acne, which is sebum production. If you cut off sebum production, you cut off the fuel for the acne fire.

— E. VICTOR ROSS, MD, DIRECTOR OF THE SCRIPPS CLINIC LASER AND COSMETIC DERMATOLOGY CENTER
